

## SCHOOL 2ND XI. v. VICTORIA C.C.

This match resulted in a crushing defeat for the School by 30 runs and 6 wickets. Batting first they were all put out for 96, of which Rogers claimed no fewer than 53; he went in with the score at 4 for two wickets and was last out. His innings included 7 boundaries. ## ROWING NOTES.

There has been no important change in the VIII. during the past week. The rowing has distinctly improved; there is a better beginning and more leg-work. Hammond at bow has much improved and Wibberly is much steadier, particularly in the tub. Fenning at 3 has come on remarkably well but must swing much more steadily if he is to keep his place. Barker's blade is good but he uses his arms too much. The Shrewsbury Race is fixed for Thursday, June 30th, at Shrewsbury.

Received during the past month:—The "Reptonian," "South Eastern College Magazine," "Peterite," "Herefordian," "Hymers College Magazine," "Berkhamstedian," "Lorettonian."

## THE REASON WHY.

Summer is the best of Seasons.  
 Prithee, Poet, give thy reasons.  
 Summer is the time for slacking  
 When the First are leather-whacking,  
 On one's back supinely baking  
 Clap the score the Captain's making  
 Or the falling of the wicket.  
 So we patronise the Cricket.  
 Summer is the time to easy  
 In a dinghey on the greasy,  
 Sleepy, slow and sluggish river  
 Where the sunbeams leap and quiver  
 Thro' the leafy weeping willows  
 Which caress the wind-kiss'd billows.  
 Summer is the time for ices,  
 Luscious fruits in handsome slices,  
 Unlocks Nature's sweetest treasures,  
 Hath no limit to its pleasures.  
 Tennis, picnics, boating-parties—  
 Don't you all agree, my hearties?

BOOJUM.
