PAST v. PRESENT (Dec. 13th).

The Past were a useful team, but the School played up well and eventually won the match by 9 points to 6 (three tries to two).

A dribble by Barff and Wilson brought the ball to the School line, where a free kick was awarded to the Present. Its results however were disastrous rather than advantageous, as Follitt charged down the kick and gained a smart try, which remained unconverted. The School were not long in equalizing the scores, as, following a dribble by McConnell, Milton i fell on the ball over the line; this rather lucky try was not turned to good account. The O.Bs responded with a long dribble, but Milton i saved in good style, and put in a good kick which relieved the situation. Just before half-time Carter got away for the

School with the ball at his feet, but after an exciting chase by Talbot, the latter managed to kick dead.

The first events of the second half were a strong run by Gore and a long kick by Cherrington, which compelled the visitors to defend. But soon McConnell and Currie dribbled down, and the latter picking up well in the loose passed to Clarke who scored. The kick, taken by Milton ii, though a fine attempt, just went wide. Not long afterwards Clarke again scored after a smart run along touch. The O.Bs now rallied and kept up a keen attack, which ended in Follett scoring, but no goal was kicked. For the visitors Wilson and Barff played a sterling game at forward.

O.Bs: Carter (back), F. B. Brooks, W. A. Talbot, J. Cantrell, Goodall ($\frac{3}{4}$), Thwaites and Ash (sub.) ($\frac{1}{2}$), Wilson, Barff, Turbett, Smith, Beddall, Rickard, A. N. Other.

The School: Cherrington (back), Clarke, C. Milton, Muirhead, Webb ($\frac{3}{4}$), Currie, McConnell ($\frac{1}{2}$), Gore i, J. Milton, Morrison i, D. Harris, Whiffin, Armstrong, Carter, Barrett.

HOUSE MATCHES.

Bromham v. Ashburnham (Dec. 12th).

Walton first, and then Milton i scored, but neither try was converted. After half-time Milton i scored twice, converting the latter try himself, as well as a fifth try, which Milton ii contributed. Bromham thus remained winners by 19 pts. (2 goals, 3 tries) to nil.
