1st XI. v. Christ's College, Cambridge (May 24th).

This match ended in a draw decidedly in favour of the School. Atkinson and Fields-Clarke opened the innings of the School. Fields-Clarke was dismissed when the score was 12, and Brooks's wicket fell without any more runs being added. Peel then joined Atkinson and the partnership of the afternoon was seen. Peel playing very determined cricket helped to bring the score up to 116, and was then bowled after having made 30. Reeves was dismissed with only one run being added to the score. After having made 79 Atkinson was caught at square leg. The next stand was by Sutherland and Smith; Sutherland who gives promise of a good bat was lbw when he had made 25; Smith was lbw after having put on 46 runs. Carter and Deal were the next partners and when the score reached 271 for seven wickets, Peel declared. Carter's score was 39 not out and Deal's 27 not out. In the field Vassall was very conspicuous. For the visitors the best scores were made by Clarke 33, Bonser 28, and Rigby 55 not out. Total 156 for six wickets.

B.G.S. v. Peterhouse, Coll., Cambridge. (May 27th.)

The first defeat of the season, and let us hope the last. Peterhouse had a strong, though not their strongest, team, the two stars of which were H. D. Keigwin (brother of the Blue) and A. P. Scott, last year's Marlborough captain, who will be remembered as having made 155 v. Rugby at Lords. The spin of the coin went in favour of the visitors, and Scott with Keigwin opened the innings
