SWIMMING.

The match against Mr. Weir's team had to be scratched, but Mr. Tyrer kindly brought a team instead on Saturday, June 9th. The Rest of the School were beaten in their match against the Glanyrafon S.C. by 3-o. The play of the School was very ragged; no one kept his place, but all tried to chase the ball wherever it went. Thompson i. played well for the winners, but two of the goals scored ought to have been saved.

Swimmers this year must learn to get a better start in racing. The tendency was to dive much too deep, and also not to get any push off the turning-pole. There will be a competition for teams of six later on this term from the boarding houses, and it is hoped that this will remedy the above faults.

At Oxford this year H. Fry is captain of the Swimming Club, and E. G. Morris is secretary. Their 'A' team, which is coming here on Thursday, June 14th, has been doing very well. St. Paul's have twice been beaten by them, by 4 - 0 and 9-0. The School will probably be without three old colours on that date, which is very unlucky, considering the strength of our opponents

SHOOTING.

MAY 28TH.

The School v. R.M.C., Sandhurst, R.M.C., Kingston, Canada, Dulwich, and Uppingham. Major Columbine shot against the two R.M.C., and Snook against the two schools.

Glenalmond Weather: Rainy.		221 Good.	433 Wind

On Saturday, June 2nd, the VIII journeyed to Cambridge to shoot against Trinity College. After lunch in the College Hall, we set out for the 'Varsity range. There was a strong and tricky head-wind blowing, which had a bad effect on the scores, especially at 600 yards. After the match we had tea in the secretary's room, and then returned home. Our thanks are due to the secretary and members of Trinity College Rifle Club for their accustomed hospitality.

Strong-o o'clock.
