**SWIMMING.**

Our annual fixture with St. Paul's School S.C. was swum off on July 17th at West Kensington. As usual, we could take only half a team, and so were rather badly beaten by 8 goals to *nil*. We had, however, more of the game than the score indicates. Before half-time they had only scored 3-0. We were defending the shallow end; Long is an excellent goalkeeper in shallow water, but he should learn to save when he is swimming, and to catch the ball more often. Maxwell played a very plucky game all through, and Humfrey, for a first appearance, made few mistakes. Cameron, now he has returned, is playing better than before.

In the Team Race we lost by just under a length.

*B.G.S.* — Goal, Long — Cameron, Smythe— Blackburn—Maxwell, Humfrey, Clements.

*Team Race* — Smythe, Maxwell, Long, Clements, Cameron, Blackburn.

For the School Clements has at last recovered his last year's form, and swam quite well. Cameron also swam well.

We congratulate Cameron on receiving his blazer, and Long and Maxwell on their swimming colours.
