St. Paul's ...	236	226	462	

Uppingham, no return to hand.

The weather conditions for this match were not ideal; a bad light at 200 yards was the forerunner of a severe thunderstorm at 500, during which nearly everybody on the range got drenched, and the scores (except Bird's) suffered accordingly.

## SWIMMING.

On June 1st, Mr. R. S. Seacome, O.B. brought a team from Oxford representing the 'Varsity. In the team race the School (represented by Curtis, Blackwell, Long, Clifford) won fairly easily. In the 110yds. race their crack man Lucas just beat Clements.

The polo match (seven minutes each way) which followed, proved fast and exciting. Until half time neither side scored. Owing to their good passing the 'Varsity pressed most of the time. Milton, keeping goal very well, just managed to stop two very hard shots, pushing them over the goal. From one of these corners their right wing shot a goal, but luckily for the School, he ducked Mess when he had not got the ball, so a foul was given. Soon after half time, Pearson dribbling from the School goal passed to Clements who nearly got through, their back however hurled the ball back to Lucas, who scored with a long oblique shot. The next minute they again scored, Duke putting the ball into the goal from a *mêlée* in front of the goal. After this our forwards made one determined rush towards their opponents' goal. Pearson gave a fine pass to Blackwell who sent it on to Curtis and the latter banged it at their goalkeeper—only to be stopped. A little later "no side" was given, leaving Oxford victorious by two goals to nil.

B.G.S.—Goal, M. Milton; half-back, J. H. Blackwell; backs, T. C. Pearson, A. H. Mess; forwards, F. E. Clifford, W. F. Clements, J. W. Curtis.

Oxford University.—R. S. Seacome; Fitzgerald; Harrower, Donald; E. F. Piercy (sub.), Lucas, Duke.
