SHOOTING.

Our first four matches have clearly shown that the team for this year should be above the average. The shooting at 500 yards has been especially good, and with some more experience at 200 yards, the shooting there should improve, too. We have beaten all

our opponents easily, a state of affairs which, it is hoped, will continue. Besides the VIII., there has been some good shooting in practice, a "64" by Hore, and a "62" by Munckton being specially meritorious.

(To the Editor of *The Ousel*.)

DEAR SIR,

I was much surprised on coming up to the field, on May 24, to see the finish of the School Match against Christ's College, to find that play had ceased soon after 5.30. Rumour has it that this was due to the visiting Captain, but be that as it may, there can be no doubt that it was a very regrettable incident, and at the present moment Cricket cannot stand such incidents.

Faithfully yours,

E. HASTINGS DASENT,

Burnaby House,
Burnaby Road,
Bedford.
