SHOOTING

At the beginning of the School year there was the upheaval of selecting and training new members as in any school club at this time. Having got that out of the way the club got off to a brisk start in the Public Schools' Small-bore Rifle Association Autumn League. This was a seven round tin-hat

competition in which we put up a team of five with two reserves. These reserves were called upon to shoot when two of the team were injured and they shot very well indeed, keeping up the good average of the team. The rounds were done on a draw basis, and of the seven matches, the School won five and lost two, coming second overall.

There were three other tin-hat postal matches with the eight shooting.

Results:

v Haileybury I.S.C., won by 756-751

v King's College, Taunton, won by 764-755

v King's, Bruton, won by 776-760

The members of the VIII were:

J. M. Smith, R. S. C. Hockly, I. A. Clarke, R. J. Larman, D. S. Tansley, C. J. Lloyd, Rice and Steen, with Pryce as reserve who shot admirably when a member of the team was injured.
